

Take the Subway

Take line 2 (green) or line 7 (orange) to Jing'an Temple Station. Take exit 1 and follow the walking instructions.

Take a Taxi

You can give the driver our address, along with the cross road (172 Yuyuan Lu, near Wanhangu Lu). Show this to the driver:
愚园路172号, 靠近万航渡路

Or call (021) 61520017 and we will speak to the driver for you.

Walk (from Jing'an Temple Station)

1. Turn right out of exit 1. Keep walking till you come to an intersection of Wanhangu Road and Yuyuan Road.
2. Cross the road in the same direction. The building is right by the intersection and has a big signboard that says "China Construction Bank".
3. Once you're in the building, take the elevator either on the left or on the right to the 23rd floor. Do not take the elevator in the middle as it only reaches even-numbered floors.
